3. 99CUSTOMIZEDJEWELLERY.IN

At NCS Technologies, we helped a niche prepaid jewellery brand achieve a remarkable 6X ROI through Facebook Ads.

This success was driven by strategic A/B testing, creative experimentation, and the impactful use of video ads to boost engagement and conversions.

The image shows a screenshot of the Facebook Ads Manager interface. At the top, there are tabs for 'All ads', 'Active ads', 'Had delivery', and 'More views'. A date selector shows 'Today: 27 Nov 2024'. Below this is a search bar and navigation tabs for 'Campaigns' (1 selected), 'Ad sets for 1 Campaign', and 'Ads for 1 Campaign'. A toolbar includes buttons for '+ Create', 'Duplicate', 'Edit', 'A/B test', and a 'More' dropdown. It also shows 'Columns: 1', 'Breakdown', and 'Charts' options. The main table displays ad performance metrics for six ad sets, all of which are turned 'On'. The columns include 'Off/On', 'Ad set', 'Impressions', 'Meta add to cart', 'Purchase ROAS', 'Website purchase ROAS', 'CPM (cost per 1,000...)', and 'Clicks (a)'. The last row shows the 'Results from 9 ad sets' summary.
